

1st East Zonal Conference of Association of Histopathologists & Cytologists : An update on Pathology of Soft Tissue, Bone And Skin Lesions

September 6 – 7, 2019

Venue : Hotel Babylon Inn, Jail Road, Raipur (C.G.)

The Department of Pathology, Pt. J.N.M. Medical College, Raipur Chhattisgarh proudly presents 1st East Zonal Conference of Association of Histopathologists and Cytologists, an Update on Pathology of soft tissue, bone and skin lesions.

The purpose of this 2 day academic event is to discuss various pertinent clinically relevant topics and recent updates in soft tissue, bone & skin pathology through didactic talks, case based discussion/ slides seminars. The conference covers both neoplastic and non neoplastic lesions and will enhance understanding of the subject.

Eminent speakers of international and national repute have been hand picked to lead the scientific journey.

We trust this conference will bring not only new insight knowledge, but also collaborations and friendships.

We the organising committee look forward for your attendance and participation.
